Dear Parent/Guardian and Student:

HANDBOOK

The Student Handbook is updated yearly. The administration at Northeast would like to insure that all parents/guardians are fully aware of the rules, regulations and policies contained in the Student Handbook. It is very important that you and your child read and familiarize yourselves with the Student Handbook online @ northeastmetrotech.com.

All students should read the Student Handbook and discuss it with you, the parent/guardian. There will be an assembly for each grade to discuss the Student Handbook and to answer all questions.

To assure that all students and parents/guardians have taken the opportunity to read the Student Handbook, we would ask that you and your child check the box below **AND** sign to acknowledge that this has taken place. Please return this form to the homeroom teacher.
