

# **Northeast Metropolitan Regional Vocational School**

## **NSLP Nutrition Public Release**

Northeast Metropolitan Regional Vocational School utilizes our website [www.northeastmetrotech.com](http://www.northeastmetrotech.com) to provide to our Parents/Guardians the information needed to apply for Free and Reduced Lunch through the National School Lunch and Breakfast programs website. The eligibility criteria for the free and reduced price meals are available on their website, along with instructions on how to complete your application.

<http://www.fns.usda.gov/nslp/national-school-lunch-program-nslp>

Annually, we post these items on our website, in our cafeteria and guidance offices and mail them to all students' homes. All families are notified that if they qualify through the Virtual Gateway (Direct Certification), by mail, we also extend those benefits to all children within their household. We urge them to contact us with information when they are informed that one or more children in the household has been determined eligible. When a child's eligibility is determined through a paper application, they are also notified by mail, with their status, whether it is Free, Reduced or Paid.
