

Northeast Metropolitan Vocational School District

100 Hemlock Rd. Wakefield, MA 01880

781-246-0810 fax 781-246-4919

July, 2017

Dear Parent or Guardian:

Title 1 Information

The Northeast Metropolitan Vocational School District is the recipient of federal funds from the Elementary and Secondary Education Act of 1965. The funds received from this legislation are used to add two highly qualified mathematics instructors and one highly qualified science instructor to the academic teaching staff.

These funds also support the extended summer program that serves over 200 students each summer. These supplementary services are provided to assist the district in meeting the goal of closing the proficiency gaps on the annual state assessments. The district is currently assigned Level 1 status, indicating the district is on target to meet this goal.

Upon request, the school will provide information relative to the teaching credentials of any professional staff member. **This process is in compliance with the Parents Right-to-Know component of the federal legislation**

This process is confined to the following categories:

- 1. Whether the teacher has met state qualifications and licensing criteria for the grade levels and subject areas for which the teacher provides instruction.*
- 2. Whether the teacher is teaching under emergency or other provisional status through which state qualifications or licensing have been waived.*
- 3. The baccalaureate degree major of the teacher and any other graduate certification or degree held by the teacher including the field of discipline of the certification or degree.*

Sincerely,

Nathan Lamar
