NEW ENGLAND ASSOCIATION OF SCHOOLS AND COLLEGES ACCREDITED MEMBER

Dear Member / Parent Guardian of the Class of 2020

The time has come to plan for the 2020 yearbook at Northeast Metro Tech. After careful consideration this year, we have made the decision to make Prestige Studios by Lifetouch our official yearbook photographer. As such, Prestige Studio will be taking all pictures (this includes senior portraits, underclass photos, ID photos, candid's, events, activities, and athletics) appearing in the yearbook. Seniors will be sent an appointment card through the mail. It will state the specific day, time, and location that he/she will be photographed. All summer appointments will be at the Prestige / Lifetouch Studio in Melrose. It is the responsibility of each student to re-schedule his/her appointment if the day and or time is not convenient.

To confirm or modify your senior portrait session please utilize the company's online scheduling website located at: **http://www.photoappointment.com**
The appointment card mailed to you will contain the confirmation code to access the online scheduling website.

In the interest of uniformity and quality, all senior yearbook portraits for the 2020 yearbook must be taken through Prestige Portraits using a blue background for the submitted photo.

The 2020 yearbook will be delivered to the students via the advisor prior to graduation.
Therefore, you must have your portrait taken by Prestige during the summer of 2019 or **no later than October 2019**

Prestige will be at the Northeast Metro Tech for two days in October to help facilitate those unable to go to their studio in the summer.

The yearbook required pose will be taken at the portrait session as well as other poses that you may purchase at will. There is s $20.00 sitting fee for all portraits taken, and that will be refunded to you if you return all the proofs and chose not to buy a package. You are not under any obligation to buy a package, only have the yearbook photo taken.

After the portraits are taken, proofs will be mailed to you from Prestige Portraits and you will be asked to select which pose you'd like submitted to the yearbook.

Acceptable poses include those of the head and shoulders only, color only, no black and white, no props, respectfully dressed with no visible company or team logos showing, a plain blue background and shot vertically ONLY.

Even though there will be fall photo times available we strongly urge you to have your portraits done over the summer.

Thank you for your support!
